Summer Reading - Libraries Rock

The Campbellsport Public Library is encouraging people ages 3 - 101 to spend a little of their free time reading by offering rewards. Children will be reading for weekly rewards from local businesses including: Kelley Country Creamery; Blue Door Coffee Co.; Piggly Wiggly; Ty's Place; King Pin Lanes; Schlaefer Optometrists; and Kohn's Filling Station. Teens and adults will be reading for a chance to earn dollars off of their fines, prize bags filled with goodies, and for the four grand prizes of an Echo Dot or a Kindle. Stop by the Library, starting June 1st through July for instructions and to pick-up the necessary reading logs. The chance to read for prizes ends on Friday, August 17th.

Kids of all ages should drop-by the Library anytime we are open during the week to create your own musical instruments. There will be supplies and instructions to create a different instrument every week. When you are here take the time to find the hidden guitar for a prize.

Wednesdays at 10:30 am - kids ages 6 and under and at 1 pm Kids ages 6 and older
Join us for a variety of fun and educational activities.

Free Fun

Fridays at 1 pm - Kids and their families are encouraged to join us for a free family friendly movie. Free popcorn will be handed out. Kids age 9 and under need to come to the movie with someone older.

MY PET MAKES ME BREAKFAST & YOURS CAN TOO

Chickens 101

Monday, June 18th at 6:30 pm

Backyard Chickens are becoming a popular piece for folks interested in sustainable living. Chickens are fun curious creatures that add value and adventure to your yard and life. Come and meet a local egg producer and her friends, get the facts about small flock management, and get some hands on experience.

Tracy McDermott is a local environmental advocate who has had the opportunity to work with many local environmental groups and educational organizations. She is the current Executive Director of the Gottfried Prairie & Arboretum. When not spending time working with nonprofits, she and her family enjoy educating folks about the importance of sustainable living and growing food at their hobby farm "Wander Way" in Eldorado.

This is a free drop-in presentation.
People of all ages are welcome to attend.
