Show & Tell - Silent Auction Fundraiser

The Campbellsport Public Library's 2nd annual silent auction fundraiser will begin on Monday, September 8th. This year we have an incredible selection of items to auction off including: refurbished furniture; hand knit items; stain glass pieces; hand painted planters; and much more. Bidders can start to examine the variety of handmade items in the auction in person, on the Library's website or on our Facebook Page starting Friday, September 5th. The items will be up for auction until Friday, September 19th at 6 pm. During this two week time period, interested parties can place bids in person or over the phone by calling (920) 533 - 8534 during business hours. The status of the bids on the items will be updated throughout the two weeks on the Library's Facebook page. The people who placed the winning bids will be notified by phone on Monday, September 22nd.

The proceeds from this fundraiser will be used to purchase books and movies for library users to borrow.

The Library Staff and Board Members would like to thank everyone who contributed a handmade item to this fundraiser.

We were once again thrilled with the wonderful items we have to auction!
