Campbellsport Public Library Fundraiser

Donated and fundraised funds support many of the Library's important services. Many of the DVDs, CDs, and recorded books that are available for patrons to borrow are purchased with this money. Much of the programming the Library provides for all age groups is also supported with these funds. In order to maintain our current level of service to the community, we need your help raising money to replenish our gift fund.

The Library is sponsoring our second annual fun and artistic fundraiser. We are asking community members to donate any unwanted wooden items such as chairs, boxes, benches, small tables, wooden shelves, as well as metal buckets sprinkling cans, or any other item that can be turned into a one-of-a-kind piece of art. These items may be dropped off at the Library between now and June 1st. Starting in June, anyone interested in participating in the fundraiser may stop in and select an item of their liking to decorate however they wish.

This year, we will also be accepting any handmade item for the sale, from hand knit baby blankets to handmade birdhouses, paintings to homemade jams, and woodcrafts to hand strung jewelry. We are asking that the artists donate their handmade or decorated items back to the Library by September 1st. They will remain on display for 2 weeks so people have a chance to view the items and place bids in an auction.

We also accept donations of DVD movies and T.V. shows for children and adults. We even accept donations of current popular magazines. Any material that is not added to the Library's collection for patrons to borrow is sold in the annual used book sale.
