Donated and fundraised funds support many of the Library's important services. Many of the DVDs, CDs, and recorded books that are available for patrons to borrow are purchased with this money.

Much of the programming the Library provides for all age groups is also supported with these funds. In order to maintain our current level of service to the community, we need your help raising money to replenish our gift fund.

The Library is sponsoring our third annual fun and artistic fundraiser. We are asking community members to donate any unwanted wooden items such as chairs, boxes, benches, small tables, wooden shelves, as well as metal buckets, sprinkling cans, or any other item that can be turned into a one-of-a-kind piece of art. These items may be dropped off at the Library between now and August 1st. Anyone interested in participating in the fundraiser may stop in and select an item of their liking to decorate however they wish.

This year, we will also be accepting any handmade item for the sale, from hand knit baby blankets to handmade birdhouses, paintings to homemade jams, and woodcrafts to hand strung jewelry. We are asking that the artists donate their handmade or decorated items back to the Library by September 1st. They will remain on display for 2 weeks so people have a chance to view the items and place bids in an auction.

Essential Health with Kim Keceli

Tuesday, April 21st at 1 or 5:30 pm

Bring your children to this special Essential Health program with Kim Keceli. The program will begin with stories and crafts for children. After these activities Ms. Keceli will give a presentation to parents or grandparents about the benefits of using acupuncture as a safe alternative to treat a variety of ailments, such as but not limited to allergies, asthma, ADHD, autism, ear infections, or tummy aches.

For more information about Kim Keceli and her practice visit her website at <http://www.essenceyou.com>.

These are free drop in programs. Free refreshments will be served.

Give Rugby a Try

Saturday, April 25th
9:30 - 11:30 am

Do you want to play a game where you can be the quarterback, the running back, and the receiver all at once? Then give flag rugby a try!

Flag rugby is a fast moving, non-contact, running and ball carrying game suitable for boys and girls to play together. The interchangeable nature of possession requires switching from defense to offense in an instant and helps to develop a wide variety of skills. Cooperation and determination, along with individual and elective responsibility, are key elements in the game of flag rugby.

Instructors from *Boomers Fond du Lac Rugby Academy* are coming to the Library to show school aged boys and girls the basics of flag rugby. This is a free drop in activity that will be held rain or shine - outside weather permitting.

Free Movies! Free Popcorn!

Song of the Sea

Friday, April 24 @ 1 pm

Saoirse is a child who is the last of the selkies, women in Irish and Scottish legends who transform from seals into people. She escapes from the grandmother's home to journey to the sea and free fairy creatures trapped in the modern world.

This film is rated 'PG'.

The Imitation Game

Monday, April 27th @ 1 & 5:30 pm

During World War II, mathematician Alan Turing tires to crack the enigma code with help from fellow mathematicians. This film stars Benedict Chumberbatch and Keira Knightley.

This movie is rated "PG-13".

Both of these showings are drop in programs. Anyone under the age of 16 attending a film rated "PG-13" must be accompanied by an adult. Anyone under 9 attending a program must come with someone older.

Donuts and Duct Tape

Friday, April 24th
10:30 am

School age kids are invited to the Library to make a one-of-a-kind duct tape creation while enjoying a donut. Sweet!

Registration is appreciated. Please register by Wednesday, April 22nd.

Play Wii Games with Katey

Tuesday, April 7th
1 - 3 pm

School age kids are invited to the Library to play Wii games with Katey. We will be playing Wii Sports and Mario Cart and Party.

Cookies will be served. This is a free drop in program.
