### Handmade Christmas Gifts for a Special Lady

Thursday, December 8th at 6:30 pm

The ladies from Xpressions Yarn and Bead Boutique will be at the Library to help people create a truly one-of-a-kind glass pendant. Participants will be able to choose from a large variety of colors to create a fused glass pendant that will be totally unique due to the firing process it goes through. The finished product will need to be picked up or mailed to you at a later date. Ribbon chains can be purchased separately.

A second option for the evening is to create the latest craze in handmade jewelry - a leather, metal, and bead bracelet.

A variety of colors of beads, metal, and leather will be available to choose from that evening.

The cost to complete either project is \$12. A second fused pendant for the same person will be \$10. This is a special price for the Library. Samples of both projects can be viewed at the Library. Registration is necessary; call, stop in or Facebook us by Tuesday, December 6th.

Handmade jewelry makes ideal gifts. The pendants and bracelets can be made by older children and adults with any artistic ability.
