Lisa from Painting Around the Bend will be at the Library to help parent and child(ren) teams create a one-of-a-kind Penguin Friends scene on canvas. A photo of the original design can be seen on our website, Facebook page, or at the Library. Lisa will guide the participants through the steps of painting this partner project but if participants would like to paint the scene on their own, that works also. Children as young as 6 can participate in this class with an adult and children 10 and older can join us by themselves. The finished painting will be either one 12 x 12 or two 12 x 12 canvases, the artists will be able to choose how their finished project will look that afternoon.

The cost to participate in this class is \$20 per person. Registration and prepayment is required by Monday, February 18th. Please register and prepay for this event at the Library.

You will be able to decide what color of paint or stain you would like to use.
