**Fundraiser for the Library**

Donated and raised funds support many of the Library's important services including movie and book purchases. Plus many of our youth and adult activities are paid for through raised funds. In order to maintain our current level of services to the community, we need your help replenishing our gift fund account.

This fall we will be auctioning off hand-decorated wine bottles and glasses. Please donate empty and clean wine bottles or interesting alcohol bottles to the Library. We will also accept donations of individual or sets of wine glasses and corks. If you are feeling creative stop by the library to pick up a bottle or two to decorate and return to the Library for our fall auction.
