Rock, Paper, Scissors

Fall Fundraiser

Donated and raised funds support many of the Library's important services including movie and book purchases. Plus many of our youth and adult activities are paid for through raised funds. In order to maintain our current level of services to the community, we need your help replenishing our gift fund account.

In September, we will be auctioning off handmade crafts, with a theme of decorated rocks and papercrafts. We are currently looking for donations of smooth rocks of all shapes, sizes, and colors. We are also accepting donations of scrapbook papers or old books that our designers can use to make crafts for the silent auction. Raw material for the crafts can be dropped of any time we are open throughout the summer. We will start collecting finished crafts in June.
