

**Adopt a Magazine
For the Campbellsport Public Library**

It's time for the Campbellsport Public Library to renew its magazine subscriptions. Unfortunately the Library is unable to provide the community with as large of a selection as we would like to, so we are enlisting the help of our supporters. For less than \$20 a year you can adopt a magazine of your choice for the Library. This small donation will allow the Library to purchase a magazine subscription that will be available for reading at the Library or for patrons to bring home. The Library keeps magazine issues for one year. If you choose, you may claim the back issues of the magazine you have adopted. Please contact the Library for more details about this program.

Plan Your Escape

The Campbellsport Public Library has on display and available for a three week check-out period, travel guides from all fifty states, including some maps. Also a select number of brochures from other hot travel destinations in the United States.

**Kids Celebrate National Library Week at Culver's
and the Campbellsport Pubic Library!**

The Campbellsport Public Library is participating in a "Draw a Picture for National Library Week" program during the month of April in celebration of National Library Week, April 2 -8. This program, for children 10 and under, is sponsored by the Campbellsport Public Library, the Winnefox Library System, the Wisconsin Library Association, and Culver's Frozen Custard and ButterBurgers®.

Drawing sheets will be available from the Librarian during April. The theme is "Calling All Critics." Children 10 and under can draw a picture depicting a character, scene, or event from a chosen animal book. This can be an informational book, or work of fiction with animals as either fanciful characters, or in real life nature stories. Friends and family are encouraged to view the completed entries at the library.

Culver's has donated a certificate for a single scoop of custard in either a cake cone or dish to all participants, as well as a Culver's water bottle and a plush Scoopie for a random drawing prize in each participating library. This is the 10th year Culver's has co-sponsored the program. Last year over 13,000 children participated statewide.

**Bunny Bash
Special Story Hour**

Kids of all ages are invited to join us at the Campbellsport Public Library for our annual spring story hour - **Bunny Bash** on Thursday, April 13th at 6:30pm. The kids will be listening to stories about rabbits, looking for hidden Easter Eggs on the book shelves, playing games and creating special bunnies made from their hand and footprints. Please register your child(ren) for this program by April 11 at 8pm.

Recommended Reads by the C-port Women's Club
