

Campbellsport Public Library

December Hours of Operation

Monday & Tuesday 12 - 8

Wednesday 10 - 6

Thursday 12 - 5

Friday 10 - 5

Saturday 9 - 12

The Campbellsport Public Library Trustees made an important decision during the November board meeting. It was unanimously voted to alter the Library's hours of operation. This modification was not made lightly.

The Board Members and the Director strive to ensure that the funding for the Library is spent in the best possible manner. Keeping the Library open on Tuesday evenings is not advantageous. People are very seldom in the Library after 6 pm. Concurrently, the May and September Saturday hours experience very low patron usage. Hopefully the change in hours will help eradicate the problem of having these consistent times when the Library usage is low.

The second reason for the hour change is because of people's inability to remember the varying hours that the Library is currently operates under. We are open at different times and close at different times almost everyday of the week. The change in hours reflects a more consistent arrangement.

If you have any questions about this topic please don't hesitate to ask. You can call the Library at (920) 533 - 8534 or email director@campbellsportlibrary.org.

Night at the Museum: Battle of the Smithsonian

Ben Stiller leads an all star cast as Larry Daley, a former night watchman at the Museum of Natural History, where the exhibits come to life after dark. But now Larry's nocturnal friends are being retired to the archives of the Smithsonian Institution, luring him back for a hilarious, all-out battle against museum misfits who plan to take over the Smithsonian...and the world.
