## Summer Reading - Fun for People of All Ages

People of all ages should stop by the Library during the week of June 9th to register for the Summer Reading program. When children register for the program they will receive a free book bag and bookmark, their reading logs, and a schedule of events. Children may choose to only take part in the reading for prizes challenge or they may just choose to attend programs at the Library or they may participate in all activities. Teens are encouraged to sign up for the teen read program. Kids ages 12 and up should stop in for their entry tickets and to pick up a book bag and bookmark. Adults are not left out of the fun. When checking out a book or magazine grab entry forms and return them when you are done reading your book or magazine for a chance to win a bag full of great prizes.

Late sign-ups for all the Summer Reading programs are accepted.

Events for the Summer Reading program start on Wednesday, June 18th. At 10:30 that morning younger children are invited to the Library to make some music.

On the 18th at 1 pm, children of all ages are invited to the Library to have a lot of fun with professional entertainer Judy Stock. She will be singing songs about bugs, animals, recycling, and our environment all with instruments made from recycled materials. Children will leave respecting Mother Earth in a whole new way.

What does science have to do with exercise? Kids ages 3 to 6 are invited to the Library at 10:30 am and kids ages 7 and up are encouraged to come to the Library at 1 pm to find out the answer to this question from Mrs. Salm.

All of the summer reading activities are free, drop-in programs open to everyone!

Every week the Library is challenging kids to crack the clues and find "Einstein" at a local business. Take your photo with him and post it on our Facebook Page or show us the picture to earn extra tickets. The challenge starts June 18th. Good luck!

## Downton Abbey Afternoons

You are cordially invited to the Library on the first four Mondays in June at 1 pm to watch the first season of *Downton Abbey* while sharing tea and cookies with other Downton fans. Two episodes will be shown on each Monday. These are free drop-in programs.

## Show & Tell - Library Fundraiser

The Library is able to offer educational and fun programming plus a great selection of books and movies for people of all ages in part because of the donations we receive from our supporters. This year the Library is once again holding an artistic fundraiser.

We are asking you to donate any unwanted old wooden chairs or other small pieces of wooden furniture that can be taken home by our patrons and turned into a one-of-a-kind piece of artwork. These items can be dropped off at anytime through July. We are also inviting you to take home one of these donated items to decorate in any way you choose and then donate back to the Library for our auction in September. This year we are gladly accepting any handmade item for our sale such as quilts, knitted items, paintings, hand strung jewelry, or even jams.
