Everyone is invited to the Library to see an exciting demonstration given by a member of the Fond du Lac Police K-9 Unit, about the amazing things that Police Officers and their animal partners can accomplish when they work to together.

Registration is not necessary for any of these programs. Free refreshments will be served and door prizes will be given away.

## Paws, Claws, Scales and Tales

This years summer reading program for children ages 3 to 12 promises to be entertaining and educational.

This summer the Library is encouraging children ages 3 to 12 to spend some of their summer time reading and doing other learning activities. In order to earn reading tickets that can be exchanged for great prizes, children will be asked to read at least, 10 to 20 minutes three times a week. This year they can include a visit to the Library, attending Library programming, doing a project at home or writing as their time put towards

reading and learning. Ask the Librarians for further details and project ideas.

Programming for older children this summer will feature guest speakers who will explain to the children what they do in their jobs to help animals. Younger children will be invited to the Library for programming that features stories and activities that highlight

different animals. Please see the calendar for more details.

Special features this summer will include a craft day on July 5 from 10:30 to 1:30. Kids of all ages are invited to create imaginative animals from paper plates. On July 12 at 10:30 everyone is invited to come and see Green Bay's NEW Zoo "ZooMobile." This program will feature an array of zoo animals that kids will learn about and even touch! On July 19 at 10:30 the Balloon Kid will be here to create balloon animals for kids ages 3 to 8.

## Helping Hands Helping Paws

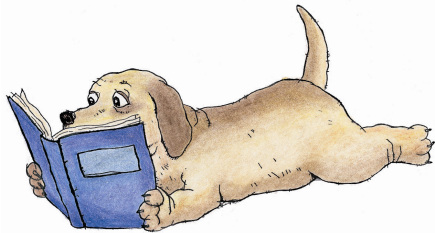

As part of the Summer Reading program the Campbellsport Public Library will be collecting much needed items for the Fond du Lac County Humane Society. The

Society is in need of kitty litter, bleach, garbage bags, paper towels, pet food, new animal toys, copy paper, etc.

In order to encourage more donations to the

Society, the Library will forgive up to \$5 in fines for a sizable donation. Please stop by the Library in June and July for more information and to make a donation.

## CREATURE FEATURE

### Teen Summer Reading Program

Teens are invited to participate in a "Creature Feature" at the Campbellsport Public Library during June and July. Participation will be easy and the possible reward is great.

Teens are asked to keep track of their summertime spent reading. For every 20 minutes spent reading (this includes books, magazines, newspapers, comics or blogs), you are asked

to check off a box on a reading ticket. Once that ticket is full you can enter the ticket(s) into the Library's weekly drawing.

Weekly prizes include free movie rental certificates, t-shirts, gift cards, stuffed animals, books, wallets and other treasures. This year's grand prize is a guitar and case donated by Interstate Music of New Berlin.

## READING is A-LURE-ING

### Adult Summer Reading Program

Ready for a whopper of a summer? There is nothing better than sitting under a shady tree, overlooking the water, with a good book in hand. And if you're ready to take a car trip with the kids, avoid the "Are we there yet?" question by listening to an exciting tale on tape or CD. "Moby Dick" anyone?

Every time an adult checks out a book, book on tape or a magazine from the Library, reads it and returns it in June and July, you are eligible to put one entry form into the weekly drawing for each item you have

read.

Want to have more chances to win a prize but you don't have enough time to read? Fill out the Reader Recommendation tickets and return them for more chances to win.

Weekly winners will get to choose from an array of prizes that have been donated by local business.
