

# Campbellsport Public Library

## March 2013

Mon	Tue	Wed	Thu	Fri	Sat
<p>The Campbellsport Public Library has served the people who live in the area for many years. The stories you share with us about all the ways you use and are invested in your library move, inspire, and motivate us. You have told us how you use your library not only to borrow books but to find employment, learn new skills and spend time with those you care about. These personal stories are important. They help us inform other community members about the different ways in which people can benefit from using the library. They also helps us advocate for future support of our organization. Please share your library story with the community, talk to a staff member to find out how you can help us <b>spread the words</b> about the benefits of having a public library in our small community.</p>				1	2

A Show & A Chat - Monday, March 25th  
@ 1& 5:30 pm

*Lincoln*

As the Civil War continues to rage, as America's president struggles with continuing carnage on the battlefield and as he fights with many inside his own cabinet on the decision to emancipate the slaves.

This film stars Academy Award winning actors Daniel Day-Lewis and Sally Field.

This film is rated "PG-13" but anyone under the age of 17 must be accompanied by an adult to attend the showing.

This is a free program. Registration is not necessary. Free popcorn will be served. Please bring your own drink.

Afterschool Movie—Wednesday, March 6th at 4 pm

*Wreck-It Ralph*

Wreck-It Ralph longs to be as beloved as his game's perfect Good Guy, Fix-It Felix. Problem is, nobody loves a Bad Guy. But they do love heroes... so when a modern, first-person shooter game arrives featuring tough-as-nails Sergeant Calhoun, Ralph sees it as his ticket to heroism and happiness. He sneaks into the game with a simple plan -- win a medal -- but soon wrecks everything, and accidentally unleashes a deadly enemy that threatens every game in the arcade. Ralph's only hope? Vanellope von Schweetz, a young troublemaking "glitch" from a candy-coated cart racing game who might just be the one to teach Ralph what it means to be a Good Guy.

This program is free and registration is not required. The film is rated "PG". Children under the age of 9 will need to be accompanied by an adult or a babysitter over the age of 14. The movie will end around 5:40 pm.

### **Bunny Bash**

Monday, March 18th  
6:30 - 7:30 pm

Children of all ages are invited to celebrate spring by listening to stories, going on an Easter egg hunt, creating crafts and getting a chance to meet the Easter Bunny.

This program is free and open to everyone. Registration is appreciated but not necessary.

Parents bring along your camera.

### **Tales to Tails**

Monday, March 11 @ 5:30 pm

Studies have shown that reading aloud to dogs helps put a child at ease. Kids benefit from the dogs' patience, acceptance and comforting presence while they practice reading and build skills. Trained therapy dog Taz will be accompanied by her certified handler, Steve Williams, who has worked with Fond du Lac elementary schools and the Fond du Lac Public Library with programs similar to this one.

The Campbelsport Public Library will be holding the 'Tales to Tails' program on the second Monday of every month. Children will be allowed a 15-minute session of reading a book of their choice to Taz the dog.

For information on how to sign up, contact us at (920)533-8534 or email [director@campbelsportlibrary.org](mailto:director@campbelsportlibrary.org), or send us a message on Facebook!

Learning the Lifestyle! - 8 Week Program about Getting Healthy  
Wednesday, March 6th and Wednesday, March 13th both at 7:15 pm

The Campbelsport Public Library along with Traci Schanen of Harmony Fitness & Nutrition is presenting an 8 week course about making positive lifestyle changes. Each week we will briefly discuss some positive and easy changes that you can make towards eating a healthier diet. After a question and answer period about the nutrition topic of the evening we will be doing an audience participation introduction to various forms of exercise.

*March 6th* - Learn some different ways that you can meditate. Get an introduction to interval training.

This is an exercise program in which each session consists of periods of intense exertion alternating with periods of rest or lighter exertion. Please bring along your stability ball if you have one.

*March 13th* - Learn which foods are good, better, and best. You will discover how to make the best food choices.

Join us for an introduction to Tai Chi. Tai Chi is a Chinese martial art and form of stylized, meditative exercise, characterized by methodically slow circular and stretching movements and positions of bodily balance. It adds balance, flexibility, mobility, range of motion and helps with relaxation. The Tai Chi that is being taught is modified and approved by the Arthritis Foundation. This evenings class will be safe and beneficial for everyone.

More information is available about these free programs at the Library, on our website, and / or on our Facebook page. We urge participants to attend all the programs to get the full benefits of the series but if there are only certain exercise formats that interest you please feel free to come to only those classes. Registration is appreciated. Call (920) 533 - 8534, email [director@campbelsportlibrary.org](mailto:director@campbelsportlibrary.org) or send us a message on Facebook!
