For a complete and up-to-date listing of the Library's NEW items go to our website www.campbellsportlibrary.org and click into our blog.

Summer Reading Preparation

The Staff of the Campbellsport Public Library is very excited about this year's summer reading program for children; the theme is Paws, Claws, Scales and Tales. We have interesting presenters lined-up, activities are planned for the small children and decorations are in the works. Our desire to make the program extra special for the area children is of course bigger than our time and budget allow, so we are hoping that some community members will help us get ready for summer reading.

We are looking for creative people to help us create some decorations for the Library. Many of these projects involve simple coloring and cutting that can be done at home. We provide the paper and patterns, you provide the crayons and the time. Anyone can stop by the Library during the first part of May to offer a lending hand and to get more information on other decoration creations.

Once again this summer we are hoping that community members will help us out by donating some craft supplies. We are in need of a lot of white paper plates in various sizes, paper lunch bags, colored feathers, glue sticks, Elmer's glue, fasteners and pairs of child's safety scissors. Any of these items can be dropped off at the Library anytime we are open before June 16th. We will greatly appreciate any help we receive!

Scrapbook Club Meeting

Linda Wiese, a scrapbooking expert, will be leading a hands-on-demonstration on how to create a one-of-a-kind scrapbook page at the Library on Tuesday, May 16 at 6:00 pm. No scrapbooking experience is necessary but this presentation is only open to people over the age of 15. Please call the Library at (920) 533 - 8534 to pre-register for this program by Thursday, May 11 by 8:00 pm.

Used Book Collection

The Campbellsport Public Library is gearing up for their annual summer used book sale. We are hoping that this spring when you are removing old books off your book shelves and getting rid of unwanted movies or CDs you will consider donating this material to the public library. If you donate items that are in good condition and the Library doesn't already own that item we put the movie, CD, or book into circulation for our patrons to use. If it is an older book or movie that the library already owns, the item will be put into our used book sale. All the proceeds from the used book sale are used to purchase new items for the Library. Donations can be dropped off anytime the Library is open. Donations are tax deductible.

A Personal History of Campbellsport

On Friday, May 5 at 1:00 pm Joesph Pesch author of *Don't Let Me Sleep 'Till Noon* will be at the Library to sell (books will be available for \$12) and autograph his book and to reminisce with old and new friends about growing up in Campbellsport. The Campbellsport Area Historical Society will have items of historic significance on display that afternoon and the group will also be providing free refreshments. Please stop by the Library between 1:00 and 3:00 pm to meet Joe; it will be an enjoyable day.
