BEADING WORKSHOP

On a June evening, Beaders will be invited back to the Campbellsport Public Library to learn how to create one of two bracelets. Beaders of all skill levels will be welcome. Registration and pre-payment will be required. Watch for further details.

Knitting and Crocheting Group

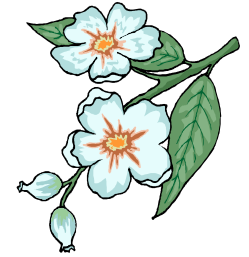

This group has begun to sew together the knitted and crocheted squares that were donated by various area yarn enthusiasts. The two completed throws will be donated to a local charity.

If you are new to knitting or crocheting or an expert you are encouraged to attend a meeting at the Campbellsport Public Library the third Monday of the month from 6 - 7:30 pm. It is a great opportunity to socialize with people who share your interest and a great forum to exchange tips, ideas and patterns.

The Campbellsport Public Library has various electrical supplies, such as electrical conduit, electrical wiring, Philips wafer head screws, pipe straps, EMT couplings and connectors among other things, left over from the remodeling of the basement. All of these items are up for sale for a reasonable price. If you are interested in purchasing these items please contact Stephanie at (920) 533 - 8534 or through email at director@campbellsportlibrary.org.

Summer Hours

The Library's summer hours will begin the week of Memorial Day. The Library will not be open on Saturday mornings but we will be open longer on Thursdays from 10 to 6 pm.

Starting the first week of June, the regular Wednesday morning Tot Time programming and the after school programming will cease for the summer. But don't worry, we have lots of great summer programming planned for families and children of all ages.
