

The Campbellsport Public Library would like to hear from you!

During the month of October the Library is asking community members, library users and non-users to complete a short 18 question survey about the services your public library provides. The survey is being mailed to all village residents with the village informational packets, the survey will be available at the Library's circulation desk and also online at www.campbellsportlibrary.org.

Paper surveys can be returned through the mail or dropped off at the library (please feel free to deposit the survey in the after hours drop slot). The survey is confidential but people who complete and return the survey are eligible to register for a chance to win a \$50 certificate in Chamber Bucks.

If you don't care to complete the survey but still have concerns or questions about library services please feel free to talk to a staff member or a library board member at anytime. Suggestions are always welcome.
