Every Wednesday, Starting January 16th at 7:15 pm

The Campbellsport Public Library along with Traci Schanen of Harmony Fitness & Nutrition are presenting an 8 week course about making positive lifestyle changes. Each week we will briefly discuss some positive and easy changes that you can make towards eating a healthier diet. After a question and answer period about the nutrition topic of the evening we will be doing an audience participation introduction to various forms of exercise. On Wednesday, January 16th participants will learn the basic steps to Zumba. On Wednesday, January 23rd class members will get an introduction to strength training by using a stability ball and resistance bands. On Wednesday, January 30 the class will learn some of the basics of Tai Chi. All exercises will be led in a format that will ensure that everyone will succeed! Participants will be shown how to modify all exercises to ensure that they are getting a safe, fun and beneficial introduction to all forms of the exercises that are being presented. More information is available about these programs at the Library, on our website, and / or on our Facebook page.

We urge participants to attend all the programs to get the full benefits of the series but if there are only certain exercise formats that interest you please feel free to come to only those classes.

### Tales to Tails

Monday, January 14th @ 5:30 pm

Studies have shown that reading aloud to dogs helps put the child at ease. Kids benefit from the dogs' patience, acceptance and comforting presence while they practice reading and build skills. Trained therapy dog Taz will be accompanied by her certified handler, Steve Williams, who has worked with Fond du Lac elementary schools and the Fond du Lac Public Library with programs similar to this one.

The Campbellsport Public Library will be holding the 'Tales to Tails' program on the second Monday of every month, beginning this January. Children will be allowed a 15-minute session of reading a book of their choice to Taz the dog.

For information on how to sign up, contact us at (920)533-8534 or [director@campbellsportlibrary.org](mailto:director@campbellsportlibrary.org), or send us a message on Facebook!

### Attention All Readers in Grades 3rd Through 10th

The Milwaukee Bucks are once again encouraging kids in grades 3rd to 10th to spend time reading for fun!

Participants will score points for each page they read from a book, magazine, or newspaper. If the reader scores 500 points, they are eligible for a free ticket to a Milwaukee Bucks game. Other family members are able to purchase additional tickets at a reduced rate. Readers who score 750 or more points will also have their score cards entered into a drawing to win either a signed basketball, participate in the starting line-up or be recognized during half time.

This program starts in January and ends in February. Stop by the Library to pick-up the necessary forms.

### A Show & A Chat

Gus Lobel has been one of the best scouts in baseball for decades but despite his efforts to hide it, age is starting to catch up with him. The one person who might be able to help is also the one person Gus would never ask, his daughter Mickey, an associate at a high-powered Atlanta law firm whose drive and ambition has put her on the fast track to becoming partner. Against her better judgment, and over Gus's objections, Mickey joins him on his latest scouting trip to North Carolina, jeopardizing her own career to save his. Forced to spend time together for the first time in years, each makes new discoveries - revealing long-held truths about their past and present that could change their future.
