Summer Activities at the Campbellsport Public Library

This summer seemed to fly by probably because it was particularly busy every day at the Library. In fact, in June and July people borrowed more items from the library than in any month ever before.

Our summer reading programs were also once again a huge success. We encouraged 230 school age children and 24 teens to keep learning over the summer by offering incentives. The more the student read the more likely they were to earn or win a big prize.

Over a six week period we invited kids to come to the Library to participate in 12 different programs that taught the children about a variety of different cultures. These programs were educational and a lot of fun. The advertised activities drew a total program attendance of 546 children. Various area teachers helped us make some of these programs a success. We would like to sincerely thank Mrs. Salm, Mrs. Cochran, Mrs. West, Mrs. McCabe-Krudwig and Jackie Scharfenberg for lending us their talent.

Our annual Family Fun Night took place on the evening of July 25th. The beautiful weather and an evening full of activities attracted a

crowd of over 130 people. The kids were invited to play in the bouncy house (which was donated by Ben Franklin), have their face professionally painted, visit with Winnie-the-Fox, and look in a police car, a fire truck, and a race car. They could also create a few crafts and color on the big boards. Families came for the brat fry and for the magic show. It was a wonderful evening to spend some time with you family, friends and neighbors. This event is held yearly. If you didn't come this year make it a point to attend next year's celebration.

We would like to thank our local sponsors for helping us make offering this yearly program a possibility; Ben Franklin True Value, HT Enterprise, Dr. Ann Schlaefer, CC Cody's, Smith and Hatch Insurance, Agnesian Health Care, Wright Veterinary Service, Dr. Ronald Moos, H & R Block, Campbellsport Building Supply, King Pin Lanes, Attorney Tricia Walker, The Brewers, Pick-n-Save of Fond du Lac, YMCA of Fond du Lac, The Building for Kids, Schreiner's, Moondance Bed and Breakfast, Spectrum Entertainment Center, Milwaukee Museum, and the Milwaukee Bucks.

Library Fundraiser Fine Art Print Sale

Thanks to an extremely generous donation from *Armstrong Apples*, the Library has a vast collection of high quality prints to sell as a fundraiser.

The subject matters in the prints vary from traditional American southwest themes to scenes that are distantly European to portraits of people from all walks of life and even famous painting from the best known artists in the world.

All of the prints are on high quality paper that is sure to hold the color of the artwork. None of the prints are framed but they are printed in standard sizes that can be easily framed at any local craft or frame shop.

The artwork will be displayed upstairs for sale starting September 19th until October 8th. The prints will be sold individually for between \$10 to \$35.

Proud to be an American

To commemorate the 10th anniversary of 9/11 the Campbellsport Public Library will be collecting cards of thanks to send to area soldiers who are currently serving overseas. We will also send books to the unit and hopefully a few movies if people are willing to give a small donation towards our endeavor to send some good cheer.

Thank you cards for anyone to fill out and a donation jar will be available at the circulation desk, August 29th through September 16th.
