Toddlers to older elementary age children play with the toys in the children's area on a daily basis. The toys that we currently have been lovingly played with so often they are falling to pieces. We are looking for donations of gently used or new sturdy plastic toys that fit the interest levels of kids of all ages. The toys should not have parts or accessories that pose a choking hazard to small children plus they need to be washable. If you have questions about what type of toys that would be appropriate for the Library please talk to any staff member. Donations can be dropped off anytime we are open.</p>
