Civil War Series with Dave Wege - Tuesday, October 20th at 6:30 pm

Among its many nicknames, the American Civil War has been called “the first modern war.”

New weapons, medicines, and inventions made their first appearance during the conflict.

Unfortunately, training and tactics did not always keep pace, leaving commanders to fight the new war with old ideas, often with tragic results. Unique fighting units formed that have become stuff of legend, *Snippets and Snapshots of the American Civil War* will look at these topics and more as we continue to explore the war that United the States into one nation.

This is a free drop in program. Free refreshments will be served.

Flag rugby is a fast moving, non-contact, running and ball carrying game suitable for boys and girls to play together. The interchangeable nature of the possession requires switching from defense to offense in an instant and helps to develop a wide variety of skills. Cooperation and determination, along with individual and collective responsibility, are key elements in the game of flag rugby.
